

Magnetic 48V

B0 Panel Remote (RGB+CCT)

- Adopt a high precision capacitive touch IC
- Magnetic installation
- 2.4G RF wireless transmission technology
- Support MiBoxer/Mi-Light 2.4G series
- Control distance: 30m
- 16 Millions colors
- Brightness, color temperature and Saturation adjustable

4-Zone Remote Panel

B4 Panel Remote (RGB+CCT)

- Adopt a high precision capacitive touch IC
- Magnetic installation
- 2.4G RF wireless transmission technology
- Support MiBoxer/Mi-Light 2.4G series
- Control distance: 30m
- 16 Millions colors
- Brightness, color temperature and Saturation adjustable
